Prescott Police Department to Host Spring 2017 Citizens Police Academy

The Prescott Police Department invites community members to get an inside look at how the Department operates by attending a 2017 Citizens Police Academy, held this May.

Participants will receive a complete overview of the various function and services of the Prescott Police Department, learn about the hiring process to become a Police Officer, what NARTA recruits endure in the academy, how the Prescott Regional Communications Center operates, as well as watch and interact in K9 scenarios, SWAT operations, DUI/Traffic Enforcement and Community Services functions. Participants will have an opportunity to actively participate in a role-playing, high tech video training system (MILO) which tests the judgment and reactions of those assuming the role of a Police Officer. Chief Debora Black added "I am thrilled to offer members of our community the opportunity to know more about policing in Prescott through this exciting, hands on program".

Classes will begin May 2nd at 6:00-9:15 PM and continue on each Tuesday in the month of May.

There will be a brief ceremony on Tuesday, May 30th at 6:00 PM, at which time participants will receive a certificate of participation for attending the academy.

Participants must be 21 years of age and a legal U.S. resident. Preference will be given to Prescott residents.

The deadline to apply is April 12th. Class size will be limited to 25 participants.
