re: cup010-005

The Sacred Heart Conference of St. Vincent de Paul would like to go on record as objecting to a tattoo parlor locating at 506 W. Gurley.

We are around the corner at 120 N. Summit Street. Sacred Heart Catholic Grade School is across the street from us on N. Summit Street. Catholic Charities is on the corner across Summit Street from 506 W. Gurley. Open Door and the Methodist Church are located across Gurley from the proposed parlor.

We help people in need with food and monetary support Monday through Friday. Our clients often come with small children.

A tattoo parlor doesn't fit in with a neighborhood of charities, churches and a grade school.

Sincerely,

Bob Snyder

President, Sacred Heart Conference of SVdP
