PROJECT UPDATE

Project Name:

Zone 12 Water and Wastewater Infrastructure Design

Date:

February 25, 2011

CLM Earthmovers was awarded the construction project for the installation of water and sewer infrastructure located along SR 89A, Side Road, future Granite Dells Parkway and Future Centerpointe East Extension. The project encompasses a portion of Section 31, Township 15 North, Range 1 West and Section 6, Township 14 North, Range 1 West, of the Gila and Salt River Base and Meridian, Yavapai County.

The project generally consists of The Zone 12 Water Improvements and Various Wastewater Improvements Project, which includes the installation of water distribution and sewer collection mains. The water distribution portion includes approximately 11,955 lineal feet of 18-, 12-, and 8-inch ductile iron water main, fittings, valves and other associated items. The sewer collection portion includes approximately 3,392 lineal feet of 12-, 8-, and 6-inch polyvinyl chloride and ductile iron sewer main and concrete manholes.

The Phase I portion of the project has been completed on time and under budget. The project is within the construction Zone for the City's Highway 89A Interchange project.

The Phase II portion of the project is within Granite Dell Estates (GDE) property and construction is ongoing. The project will mostly be on private land and should not impact traffic in the area. Construction is scheduled to be complete within the next few weeks.

Questions regarding the project should be addressed to the City Project Manager, Jeff Low at (928) 777-1130 or email to jeff.low@prescott-az.gov.
