PUBLIC WORKS DEPARTMENT**

PROJECT UPDATE

Project Name:

**Zone 56 Design for Replacement for the Prescott Resort
Pump Station**

Date:

August 1, 2011

95% plans for the pump station are in review by City staff. Construction is anticipated to start in winter or spring. Project coordination between the Yavapai Indian Tribe – Prescott Resort and Casino will be required to limit any disruptions to the facility.

Questions regarding the project should be addressed to the City Project Manager, Jeff Low at (928) 777-1130 or email to jeff.low@prescott-az.gov.
