OPERATION IDENTIFICATION

A citizen participation
program to prevent
burglary

NOTE: ENGRAVED I.D. SHOULD BE ARIZONA DRIVERS LICENSE NUMBER AND EXPIRATION DATE (B 173740 AZ. 83). ALL ENGRAVED ITEMS SHOULD BE PHOTOGRAPHED AND RECEIPTS FILED WITH THIS FORM.

WHAT IS OPERATION IDENTIFICATION?

Operation Identification is a citizen's burglary prevention program for use in homes and businesses. The Operation ID program involves the marking of property with an identifying number as a means of discouraging burglary and theft. In communities where it has been properly implemented, Operation Identification has shown dramatic results in its ability to reduce burglaries.

The Operation ID program has two parts. **FIRST**, mark your valuables with your **Driver's License Number** so that your property can be easily traced and identified as yours. **SECOND**, display a sticker which tells would-be burglars that your property has been marked.

"Operation ID is free, simple, and can help cut burglary rates! In Phoenix, Arizona, people who didn't join Operation Identification had 18 times as many burglaries as their neighbors who did join.

TAKE A BITE OUT OF CRIME

A Project Of Your Local Law Enforcement Agency

WHAT MAKES OPERATION ID SO EFFECTIVE?

Marked property is difficult for a burglar to dispose of or re-sell. It can be traced to the rightful owner with relative ease. And, if the burglar is caught with marked property, it is solid evidence of possession of stolen goods.

HOW TO PARTICIPATE

To participate in Operation Identification call your local police or sheriff's office to borrow an electric engraving tool. Law enforcement agencies with Crime Prevention Programs have these engraving tools and will lend them to citizens free of charge. Other agencies will direct you to one of the community-minded organizations in your area which are providing engravers for the program. Your **Driver's License Number** should be used as your identifying mark on the valuables which you engrave. A typical marking should look like this:

B173740 AZ 83

The Driver's License Number should be engraved on an area that cannot be easily dismantled, and which is **not** easily seen.

After marking your property, make a list of your valuables and keep a copy of the list in a safe place. If you should subsequently become a burglary victim, you will be able to quickly describe the stolen property from the list. This will be of great help to the police in their attempts to recover the stolen possessions.

Once property has been marked and a list made, display an Operation Identification sticker at doors and windows which might be used for entry. By advertising your participation in Operation ID in this way, you are announcing that your valuable property has been marked and will be difficult for a burglar to re-sell. Often the presence of the sticker alone is enough to deter a burglar.

DO NOT HOWEVER DISPLAY AN OPERATION ID STICKER WITHOUT FIRST ENGRAVING YOUR PROPERTY.

Burglary is the most frequently committed crime in the United States. By participating in Operation ID you are taking one important step to protect your possessions from burglary and theft. There are many other crime prevention anti-burglary precautions which you can take to protect your home, property, business, and family. For further information, contact your local law enforcement agency.
