- Any change in lot lines in a recorded subdivision; provided, however, that changes in lot lines, which result in only nominal increases or decreases of lot sizes, may be administratively approved as a replat;
- Any changes in the location of streets, easements, and other public rights-of-way; provided, however, that nominal changes may be administratively approved as a replat; or
- Any changes in the exterior boundary of a recorded subdivision.

Appeals of Subdivision Plat
