

**City of Prescott  
Transaction Privilege and Use Tax Report  
INSTRUCTION SHEET**

**PRIOR TO THE REPORT BEING PRINTED THE FOLLOWING THREE FIELDS ARE REQUIRED.**

1. Your City of Prescott Transaction Privilege Tax License Number: "City License".

EFFECTIVE JULY 1, 2009 YOU WILL HAVE A NEW TAX LICENSE NUMBER THAT IS MADE UP OF 7 DIGITS. If you do not have your new City License # please call our office at (928) 777-1268.

The Tax License Number you enter is automatically translated into barcode format that is machine readable. This barcode becomes visible when you print the document. If you manually alter the Tax License Number after printing, the Tax Report will not be processed correctly.

2. The reporting period (month, quarter, or year) for which the return applies: "Reporting Period".

Please select the appropriate value from the drop down boxes From the drop down box, select the month or months that are the appropriate reporting period. Then enter the year value in the next box.

3. The business name and address for which the license is issued: "Business Name"

Other fields that must be completed prior to entering income information are:

4. Business Activity Description (enter the type of taxable activity)
5. Business code (see table below that lists all codes) should be entered in business class column. You may have more than one.

This form is designed to assist you in calculating privilege tax due. By entering the gross income and listing your deductions on page two, the privilege tax due will be calculated.

6. Gross Income (Column 1) Enter the gross income, including tax collected, for each applicable business class. If you report on a cash basis, enter the total amount received, including draws for construction contracting, in the reporting period. If you report on the accrual basis, enter the amount per customer invoices, including progressive billings for construction contracting, in the reporting period. Show exact dollars and cents in each column.
7. Deductions (Column 2) On the second sheet, list the deductions in the appropriate section. Deductions not itemized on the back of the form will not be allowed.

Once the gross income and deductions have been entered on the form, automatic calculations will total the deductions, subtract them from gross receipts and provide you with the privilege tax due.

**YOU MAY NOT RECEIVE CREDIT FOR FILING YOUR RETURN OR PAYMENT OF TAXES IF THE ABOVE INFORMATION IS MISSING OR INCOMPLETE**

If your tax report is not received in a timely manner, applicable penalties will be assessed at the time the tax report is processed.
