

Part F – Financial Capability Attachment F1

The City of Prescott has continued to ensure that adequate delivery, storage and treatment works can be constructed and financed to meet growing demands. The City's Finance Department has provided the document noted below which discusses financing mechanisms available to the City to support this application. **Attachment F1.1.:**

City of Prescott Arizona
Water, Water Resources, and Wastewater Development Impact Fee Report
Raftelis
April 12, 2019

The City also maintains a 5-year capital improvement plan which is updated regularly on the City's website at, <https://www.prescott-az.gov/business-development/city-construction-projects/>. The 5-year capital improvement plan discusses construction of adequate delivery, storage and treatment works for the supplies and demands discussed in this application.

A copy of this has been include with this application dated 10/26/2021. **Attachment F1.2.**
