

Functional Street Classification List

City of Prescott - 2019

Major Arterials

Facilitate relatively long trip lengths at moderate to high operating speeds with somewhat limited access to adjacent properties. Major arterials generally serve major centers of activity in urban areas and have the highest traffic volume corridors. These streets are often major gateways to the community.

- 1 Great Western Road (SR89A to SR89)
- 2 Pioneer Parkway
- 3 SR 69
- 4 SR89A
- 5 SR 89

Minor Arterials:

Provide somewhat shorter trip lengths than major arterials, generally interconnect with and augment major arterial routes at moderate operating speeds, and allow somewhat greater access to adjacent properties than major arterials.
