

PUBLIC WORKS

ROADWAY PROJECT

Prescott Lakes Parkway and Sundog Ranch Road Signal and Intersection Improvements

JANUARY 1, 2024

The project generally consists of installing a traffic signal system at the intersection of Prescott Lakes Parkway and Sundog Ranch Road. The work will include necessary road widening on Sundog Ranch Road, modifications to the turn lanes on Prescott Lakes Parkway, ADA curb ramps, and other appurtenant improvements.

The engineering design contract has been awarded to Kimley-Horn and Associates. The plans are complete. The City is in the process of ordering the signal equipment to have those materials available in advance of construction. Bid advertising started on November 5, 2023. Bid opening was on December 14, 2023. Asphalt Paving & Supply, Inc is the apparent low bidder. Award of construction contract is scheduled on January 9, 2024, with construction scheduled to start in February 2024.
