

PUBLIC WORKS

ROADWAY PROJECT

Pavement Reconstruction Stetson Road

MARCH 1, 2024

The primary scope of work includes the removal and/or installation of roadway pavement, sidewalk, ramps, driveways, curb and gutter, storm drain structures, dumpster pads, and pavement markings along Stetson Road and intersecting roadways.

Work also includes brush and debris removal, drainage grading, catch basins, storm drainpipe removal and installation, water services, grouted riprap, asphalt paving, and the adjustment of water valve boxes and manhole frames and covers.

The project is being designed in-house and is 100% complete. The project plans are currently under review.
