Iron Springs Road Pavement Repairs

July 2024

ROADWAY PROJECT

The project consists of a 3" mill and fill of asphalt, utility adjustments, and new pavement markings on Iron Springs Road at Gail Gardner Way, the existing asphalt in this vicinity has deteriorated and necessitates repair. In consideration of traffic flow and to minimize disruptions to local businesses this project will be during nighttime hours 8pm to 6am Sunday to Thursday.

Banicki Construction Inc. submitted a proposal that has been approved by both Staff and Council. Construction began on June 9th and is ahead of schedule. This project is now complete.
