1. Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes §41-1279.07. In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds; statement of revenues, expenses, and changes in fund net position for the proprietary funds; statement of cash flows for the proprietary funds; and the statement of changes in fiduciary net position for the fiduciary funds.
