Transfer Station Pavement Improvements Phase 2

April 2025

ROADWAY PROJECT

The project generally consists of removal of aged asphalt pavement at the City of Prescott Transfer Station at 2800 Sundog Ranch Road and reconstructing with new base material and asphalt pavement structural section. The project limits are in that area west of the valley gutter that traverses the transfer station, and around the Sign Shop.

Dava and Associates have been awarded the contract for engineering services. Dava has completed plans and bidding documents. Advertising for construction bids started in February 2025. The bid opening was on March 6, 2025. Asphalt Paving & Supply is the low bidder. Construction is expected to start in mid-April, 2025.
