Prescott Police Department Recognized for Excellence in Policy Management and Training

April 4, 2025

Prescott, AZ — The Prescott Police Department is proud to announce it has been recognized for Excellence in Policy Management and Training for 2024 by Lexipol, the nation's leading provider of policy, training, and wellness support for public safety agencies.

This marks the fourth time the Prescott Police Department has earned this prestigious recognition.

The award is part of the Lexipol Connect program, which tracks law enforcement agencies' performance on five key metrics that indicate success in policy management. Prescott Police Department achieved Gold Level, the highest honor, by demonstrating consistent and effective dissemination of policy to personnel, implementing timely updates in response to changes in law, and maintaining a strong focus on officer training related to departmental policy.

Being recognized by Lexipol Connect highlights the department's dedication to aligning with state and federal laws, while also incorporating nationally recognized best practices. By maintaining excellence in policy management and training, Prescott Police ensures a unified and effective response to the needs of the public.
