

City of Prescott Trails and Outdoor Recreation Map

Easiest Trails

Good trail surface with few obstacles and minimal elevation change

Intermediate Trails

Irregular trail surface with some obstacles and elevation change

Difficult Trails

Technical and rocky trail surface with obstacles and substantial elevation change

Granite Rock Trails

Trails with slickrock terrain most suited for hiking (or highly technical riding)

Granite Rock Most Difficult Trails

The most difficult granite rock trails- very steep and technical

Hiking Only Trails

Trails that do not allow bicyclists

Motorized Trails

Trails that allow dirtbikes and ATV's under 50" wide - terrain is usually steep and more advanced hiking and riding

Bike Lanes

Striped lanes designate portion of roadway for bicycle travel

Paved Bike Routes

Bicyclists share the travel lane with motorists on these streets. Some routes are physically signed, while others are just the recommended route to avoid heavy traffic

Unpaved Routes

Hikers and riders potentially share the route with motorized traffic on these Forest Service Roads

Please do not ride (bikes and horses) on trails when wet! Trail damage will occur and ruts and postholes are very difficult to repair.
