

FY2026 Citywide Fee Schedule

July 1, 2025 - June 30, 2026

Notes:

- All increases or new fees have reasons indicated in the far-right increase justification column. Several of these fees have a codified allowance for a Consumer Price Index (CPI) increase. If so, the increase percentage is indicated in the justification column. The new or increased fees that require Council approval are in red color.
- 2. This list of fees excludes water and wastewater utility rates, development impact fees, and solid waste services rates, which are adopted through separate processes.
