## **Bradshaw Drive Guardrail Installation**

June 2025

### **ROADWAY PROJECT**

The project generally consists of improvements to Bradshaw Drive to increase safety along a section of road between Goodwin Street to Jacob Lane. The improvements include guardrails, delineators, signing/markings and asphalt concrete shoulder.

Kimley-Horn and Associates is the Engineer of Record on the project. The plans and bid documents have been completed. Advertising for construction bids is underway. Bid opening is scheduled for June 19, 2025.
