Name of individual being recommended Cal Cordes

Is the individual from Prescott or the Prescott area?

Yes

Name of City property, trail, or facility requested to be named Horseshoe Courts at Watson Lake Park

Briefly provide the significant or extraordinary accomplishment or contribution that the individual has made:

In the year 2007 Cal Cordes approached Mayor Rowle Simmons about putting in horseshoe courts at Watson Lake Park. With the help of Mayor Simmons and the Prescott City Council along with Joe Baynes, the horseshoe courts were created. The courts over the years have hosted numerous horseshoe tournaments with people coming to Prescott from all over the state.

I think it would be very appropriate to name the courts in honor of my father, Cal Cordes.

The name would thus be the "Cal Cordes Horseshoe Courts."

The Prescott City Council's consideration in this manner would be greatly appreciated.

Sincerely,
Kelly Cordes

Is the individual living or deceased?

Deceased

If living, please upload written and signed permission from the individual to have a City property, trail, or facility named after them. If deceased, please upload written and signed permission from a close living family member, if possible.
