

FY2026 Citywide Fee Schedule

July 1, 2025 – June 30, 2026

Notes:

1. All increases or new fees have reasons indicated in the far-right increase justification column. Several of these fees have a codified allowance for a Consumer Price Index (CPI) increase. If so, the increase percentage is indicated in the justification column. The new or increased fees that require Council approval are in red color.
2. This list of fees excludes water and wastewater utility rates, development impact fees, and solid waste services rates, which are adopted through separate processes.
