Request For Information

Question: The Prescott Frontier Days did a vision and master plan in 2022. Will this process build upon that plan, research and/or process, or will this effort stand completely apart from that recent effort?

Response: The Rodeo/Fairground master plan created through this RFP will be a stand-alone document.

Question: Can you please explain the overall approach to operations and management of the facility today?

Response: The city owns the property on which the rodeo/fairgrounds facility is located. The city has a lease agreement with a vendor to operate the facility.
