1.1 LESSEE agrees that in the event improvements are constructed, maintained, or otherwise operated on the property for a purpose for which a Department of Transportation (DOT) program or activity is intended, or for another purpose involving the providing of similar services or benefits, LESSEE shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation*, as it may be amended.

1.2 LESSEE agrees that: (a) no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, creed, disability, age, sex (including sexual orientation and gender identity) or national origin (including limited English proficiency) in the use of the Property; (b) that in the construction of any improvements on, over, or under the Property and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination on the grounds of race, color, creed, disability, age, sex (including sexual orientation and gender identity) or national origin (including limited English proficiency); and (c) that Lessee shall use the Property in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as it may be amended.

1.3 Lessee assures City of Prescott/Prescott Regional Airport that it will comply with pertinent statutes, Executive Orders, and rule promulgated to assure that no person shall, on the grounds of race, color, creed, disability, age, sex (including sexual orientation and gender identity) or national origin (including limited English proficiency), be excluded from participating in any activity.

1.4 City of Prescott/Prescott Regional Airport reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hinderance therefrom.

1.5 City of Prescott/Prescott Regional Airport reserves the right, but shall not be obligated to Lessee, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport, together with the right to direct and control all activities of Lessee in this regard. City of Prescott/Prescott Regional Airport and Lessee agree that Lessee has no responsibility whatsoever with respect to maintenance and repair of the landing area of the Airport, or any publicly owned facilities of the Airport.

1.6 This Lease shall be subordinate to the provisions and requirements of any existing or future agreement between City of Prescott/Prescott Regional Airport and the United States relative to the development, operation or maintenance of the Airport.

1.7 There is reserved unto City of Prescott/Prescott Regional Airport, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Property, which shall include the right to cause in the airspace any noise inherent in the operation of aircraft, now

known or hereafter used for navigation of or flight in or through the airspace, and for the use of such airspace for landing on, taking off from, or operation on the Airport.

1.8 Lessee agrees to comply with the notification and review requirements covered in 14 CFR Part 77 in the event future construction of a building is planned for the Property or in the event of any planned modification or alteration of any present or future building or structure situated on the Property.

In the event these covenants are breached, City of Prescott/Prescott Regional Airport reserves the right to enter upon the Property and to remove the offending structure or object at the expense of Lessee.

1.10 Lessee shall not make use of the Property in any manner that might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event this covenant is breached, the City of Prescott/Prescott Regional Airport reserves the right to enter upon the Property and cause the abatement of such interference at the expense of Lessee.

1.11 Nothing contained in this Lease shall be construed to grant or authorize the granting of an exclusive right within the meaning 49 U.S.C §40103(e) and 47107(a)(4).

1.12 This Lease and all of the provisions hereof shall be subject to whatever right the United States government now has, or in the future may have or acquire, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or non-exclusive use of the Airport by the United States during the time of war or national emergency.

Title 49; and all regulations thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or Federal government) now in effect or hereafter enacted that deal with the regulation or protection of the environment, including ambient (including indoor and outdoor) air, ground water, surface water, and land use, including substrata land, or that govern the use of hazardous materials, hazardous waste and hazardous substances and petroleum products.

3.1.2 Hazardous Material. The term “Hazardous Material” shall mean any toxic or hazardous material, substance, waste, pollutant, or contaminant as defined or regulated under any Environmental Law.

3.2 Compliance with Environmental Laws.

3.2.3 **Remediation.** Without limiting the foregoing, if, during the term of this Lease, Lessee causes or permits any violation of Environmental Laws or allows the presence of any Hazardous Material on the Property or the Airport in violation of the Environmental Laws or this Lease, Lessee shall promptly take action to remediate the violation at Lessee's sole cost and expense in order to return the affected area to its condition existing prior to the violation. Lessee shall obtain the Lessor's approval prior to taking such remedial actions, which approval shall not be unreasonably withheld. Notwithstanding the approval required under this Section, City of Prescott/Prescott Regional Airport is not responsible for overseeing or directing any remedial measures. This Section shall also apply to Lessee's remediation of any contamination or Hazardous Materials present on the Property or Airport prior to the Effective Date of this Agreement, including such contamination that may be first discovered after the Effective Date of this Agreement but not caused by Lessee. Lessee shall post a notice in a prominent place on the Property advising employees what actions to take and whom to call in the event of said discharge and shall ensure that all employees of Lessee are trained with regard to the spill protection plan hereinafter referenced. Lessee also shall provide City of Prescott/Prescott Regional Airport with immediate notice of any spill.

3.6 Spill Protection Plan. If Lessee undertakes any activities on the Property involving Hazardous Materials regulated by any Environmental Laws, Lessee shall maintain a plan for responding to spills of any such Hazardous Material on the Property or on the Airport. Such plan shall comply with all applicable Environmental Laws and shall be updated from time to time in compliance with applicable laws. Lessee shall not rely on City of Prescott/Prescott Regional Airport or any of the Lessor's personnel or equipment in order to execute its plan. Lessee shall file a copy of such plan with City of Prescott/Prescott Regional Airport within thirty (30) days of finalization or update of the plan. Notwithstanding the foregoing, should City of Prescott/Prescott Regional Airport provide any personnel or equipment, whether for initial fire response and/or spill containment, on the request of Lessee, or because Lessee was not, in the opinion of City of Prescott/Prescott Regional Airport, conducting firefighting, containment or timely cleanup actions, Lessee agrees to reimburse City of Prescott/Prescott Regional Airport for its actual costs in accordance with all applicable laws and regulations, except to the extent that City of Prescott/Prescott Regional Airport was responding to conditions caused by events occurring at the Airport (not including the Property) or by the negligence or omission of City of Prescott/Prescott Regional Airport or its employees, agents or contractors.

obtaining and complying with an individual National Pollutant Discharge Elimination System permit, or requesting coverage under and complying with any applicable Multi-Sector General Permit (MSGP). If applicable, Lessee shall also prepare and comply with a site specific MSGP with an individual Storm Water Pollution Prevention Plan (SWPPP) or any revisions to a SWPPP, with respect to Lessee's operations or activities on the Property or Airport. Proof of individual compliance shall be provided in the form of both the Lessee's Notice of Intent (NOI) that has been received by the ADEQ and the individual Arizona Multi-Sector General Permit (AZMSGP) number associated with the NOI, within the times prescribed by law.

3.9 Surface Disturbances. Lessee shall not conduct or cause any subsurface excavation, digging, drilling, or other disturbance of the surface other than what is customary and usual for the permitted activities under this Lease without the prior written consent of City of Prescott/Prescott Regional Airport, which shall not be unreasonably withheld.

3.10 Subleases and Contracts. In the event City of Prescott/Prescott Regional Airport gives permission for a sublease, Lessee shall insert provisions substantially identical to those in this Environmental Standards Article in any sublease agreement or contract by which it grants a right or privilege to any entity under this Lease.
