Cherry Drive Road Reconstruction

September 2025

UTILITY PROJECT

The project consists of the replacement of undersized, deteriorating water mains on Cherry Drive from Linden Rd. to Middlebrook Rd. Cherry Drive will include approximately 860 LF of new 6-inch water main, additional fire protection with drainage improvements and full roadway replacement.

The project design is complete. A public outreach meeting is scheduled for 9/17/25, and residents will be notified. Anticipated posting for bid early FY26 with construction to directly follow.
