

Effluent & Wastewater Pipelines & SR89 Improvements Project – Upcoming Open House Meeting

The City of Prescott and their design engineer, Kimley-Horn, invite you to attend an open house meeting for the Effluent & Wastewater Pipelines & SR89 Improvements Project. **The open house meeting will be held on Wednesday, October 1, from 5 p.m. to 7 p.m. at The Center (formerly the Adult Center), 1280 East Rosser Street.** No formal presentation will be given at this meeting. The Project Team will be spread around the room at various stations that relate to the project. Feel free to join us at any time. We welcome and value all input.

This meeting will allow you to:

- View all 20 alternatives that were considered
- Discuss the traffic study
- Learn more about rock removal
- Find out the potential construction schedules
- Discover project costs
- Leave a public comment

The open house meeting is being held to provide the community with the opportunity to learn more about the project and ask questions directly with the Project Team. The final Public Hearing will be held during the October 14th City Council meeting, the final requirement of Resolution No. 2024-1876. We hope you will join us!

Please note, the Public Comment Period now ends on Thursday, October 9, 2025. The vote on the 100% design contract will take place at the Tuesday, October 28, City Council Voting Meeting at 3 p.m. at City Council Chambers (201 North Montezuma Street).
