

**Program Year 2026
Community Development Block Grant (CDBG)
Needs Assessment Workshop**

Wednesday, November 19th, 2025, Time: 1:00pm to 3:00pm

**Location:
Prescott Public Library
First Floor Founders Suite
215 E Goodwin St
Prescott, AZ 86303**

The City of Prescott invites local organizations and citizens to attend our Program Year 2026 CDBG Needs Assessment Workshop. This workshop provides an opportunity for nonprofit, public, and private sector partners to help shape Prescott's CDBG funding priorities.

During the workshop, City staff will:

- Give an overview of eligible activities and national objectives.
- Facilitate an open dialogue to identify current community needs and priorities.
- Provide guidance on developing competitive applications.
- Answer questions about the funding process and requirements.

**Please RSVP to: Michael McInnes – CDBG Coordinator
928.777.1205 or michael.mcinnnes@prescott-az.gov**

CDBG projects in Prescott benefit low- and moderate-income residents by supporting affordable housing, homelessness prevention, and improvements to neighborhood facilities and infrastructure, including accessibility upgrades. Funding also supports programs for seniors, youth, veterans, and persons with disabilities, as well as initiatives that create local economic opportunities, strengthening both neighborhoods and the residents who live in them.
