Yavapai Hills Drainage Hornet Drive

November 2025

ROADWAY PROJECT

This project is located on Hornet Drive in Yavapai Hills. The project generally consists of drainage improvements along Hornet Drive, possible trench drains, catch basins, and drainage channels. The project is in the later stages of the design process.

The engineering design contract has been awarded to Civiltec. The 100% plans have been reviewed, and revisions are forthcoming. The final plans will need to be reviewed before construction; construction date is TBD. Meetings with the designers and the City Engineer are ongoing.
