Cherry Drive Road Reconstruction

December 2025

UTILITY PROJECT

The project consists of the replacement of undersized, deteriorating water mains on Cherry Drive from Linden Rd. to Middlebrook Rd. Cherry Drive will include approximately 860 LF of new 6-inch water main, additional fire protection with drainage improvements and full roadway replacement.

The project design is complete. A public outreach meeting has been completed for the affected area. The project is out for bid, with construction expected to start in February 2026.
