Cherry Drive Road Reconstruction

January 2026

UTILITY PROJECT

The project consists of the replacement of undersized, deteriorating water mains on Cherry Drive from Linden Rd. to Middlebrook Rd. Cherry Drive will include approximately 860 LF of new 6-inch water main, additional fire protection with drainage improvements and full roadway replacement.

The project design is complete. A public outreach meeting has been completed for the affected area. A pre-bid meeting was held on 12/2/25, bids will be evaluated and a construction firm will be selected in the beginning of 2026.
