The Adult Center Parking Lot Maintenance

March 2026

ROADWAY PROJECT

This project includes asphalt repairs, crack sealing, and applying a seal coat to the Adult Center (The Center) parking lot. This work will extend the life of the pavement, improve surface condition, and help prevent further deterioration.

Asphalt repairs are scheduled for Friday, March 13 and Friday, March 20. Crack sealing and seal coat are scheduled from Friday, April 10 through Monday morning, April 13. During this time, portions of the parking lot will be closed and access may be restricted. Please follow all posted signage and temporary traffic control.
