Yavapai Hills Drainage Hornet Drive

March 2026

ROADWAY PROJECT

This project is located on Hornet Drive in Yavapai Hills. The project generally consists of drainage improvements along Hornet Drive, possible trench drains, catch basins, and drainage channels. The project is in the later stages of the design process.

The engineering design contract has been awarded to Civiltec. The 100% plans have been reviewed. The Final Plans have been submitted. The anticipated bid advertisement for this project is anticipated Spring of 2026. The construction is anticipated to start in summer of 2026.
