Hornet Drive Drainage Improvements

April 2026

ROADWAY PROJECT

This project is located on Hornet Drive in Yavapai Hills. The project generally consists of drainage improvements along Hornet Drive, possible trench drains, catch basins, and drainage channels. The project is in the later stages of the design process.

The engineering design contract has been awarded to Civiltec. The Final Plans have been submitted and reviewed, minor revisions are needed. The anticipated bid advertisement for this project is in the Spring of 2026, with construction is anticipated to start in the summer of 2026.
