

Rodeo/Fairgrounds Master Plan

Upcoming Community Meeting on April 20!

The City of Prescott and GH2 Architects continue working on a Master Plan to shape the future of the City's Rodeo/Fairgrounds site. To help our team further the development of the Rodeo/Fairgrounds Master Plan, we invite you to attend the second community meeting where new information will be presented that will allow you to learn more about the status of the project, provide input on Master Plan design options and learn how the input received thus far has shaped the Master Plan. This meeting will be an open house format with no formal presentation, feel free to join us anytime during the meeting.

Meeting Details

Where:

The Center (formerly The Adult Center) 1280 E Rosser Street

When:

Monday, April 20, 4 p.m. to 7 p.m.

This meeting will be an open house format with no formal presentation, feel free to join us anytime during the meeting time.

At this meeting we will discuss:

1. Project Status and Schedule
2. Project Stakeholders
3. Master Plan Progress and Design Options

Rodeo/Fairgrounds Master Plan

Project Details

The Prescott Rodeo/Fairgrounds needs maintenance and has facilities that no longer meet current operational needs. These conditions affect event logistics and impact surrounding neighborhoods. The City of Prescott has initiated a collaborative master planning process to explore opportunities for site improvements that enhance functionality, modernize amenities and address community concerns. The goal of the project is to develop a facility master plan that improves infrastructure, event operations and the visitor experience, while helping to reduce impacts on the neighboring community. Key planning elements may include parking, utilities, vehicle and pedestrian circulation, lighting, sound, aesthetics, visual screening, dust mitigation, storm water collection, retention, and treatment, and the possible addition of spaces for other site uses that align with community expectations.
