**July 20-23
8AM-5PM**

Join the Offtrail Pictures Youth Film Camp for an exciting hands-on experience where young filmmakers will learn the moviemaking process from start to finish, including screenwriting, directing, filming, acting, and editing.

Participants will work together to create film projects while learning both on-camera and behind-the-scenes roles. Instruction is led by accomplished filmmaker J.G. Blodgett from Offtrail Pictures, with guest filmmakers attending daily.
