City Wide Water Main Replacement Program Phase 2

November 2026

UTILITY PROJECT

The project consists of the replacement of undersized, deteriorating water mains on Country Club Circle, Brush Street, and Ash Street. Country Club Circle will include approximately 2,000 linear feet (LF) of new 6-inch water main and hydrant replacement. Brush Street will include approximately 500 LF of new 6-inch water main, providing redundancy to the system with the addition of fire protection. Ash Street and North Willow Street will include approximately 790 LF of new 6-inch water main to connect to Western Avenue.

Staff have received 100% final plan submission from the City's design engineering firm, Kimley-Horn. Roadway and drainage design have been added to the scope, staff have reviewed 100% submittal for roadway and drainage and Notice Inviting Bids published August 28, 2026, with bid opening on October 1, 2026, and contract awarded on October 27, 2026.
